

DENVER IMMIGRANT LEGAL SERVICES FUND

ABOUT THE DENVER IMMIGRANT LEGAL SERVICES FUND

On August 31, 2017, Mayor Michael B. Hancock signed Executive Order 142, “Standing with Immigrants and Refugees: A Safe and Welcoming City for all of Denver’s People,” with the the goal of “ensuring all community members the rights and liberties that are guaranteed to them by the constitutions of the United States of America and the State of Colorado.” The order directed the creation of a legal services fund to achieve this goal.

The Denver Immigrant Legal Services Fund was established in March 2018 as a special project fund at The Denver Foundation. Its purpose is to increase legal services to Denver’s immigrant community by providing qualified nonprofit organizations with grants to:

1. Offer direct legal representation to immigrants in detention and/or subject to removal proceedings;
2. Provide affirmative relief to individuals seeking help with Deferred Action for Childhood Arrivals (DACA) and various visa programs; and/or
3. Support capacity building or other innovative projects to help organizations increase the pool of pro bono or low bono immigration attorneys available to represent immigrants.

The fund is managed by The Denver Foundation in partnership with a community advisory board composed of representatives from the Denver Mayor’s Office, Denver City Council, Colorado Lawyers Committee, immigrant rights groups, and The Denver Foundation.

The Fund will provide grants to 501(c)3 nonprofit organizations in good standing with the IRS and the State of Colorado.
