## The Denver Foundation Community Scholarship

The Denver Foundation is committed to racial equity and believes strongly in the power of education to change students' future. That's why we created The Denver Foundation Community Scholarship to support students of color in pursuing higher education.

Similar to other funds at The Denver Foundation, the Community Scholarship fund is designed to be flexible and meet the needs of the students and the community. Eligible students can receive \$5,000 annually, which can be used towards tuition, fees, room and board, supplies, and additional cost of attendance expenses. Students may apply for and are eligible to receive this scholarship for multiple years. These scholarships are able to be used by anyone enrolled in a Colorado-accredited, nonprofit, post-secondary educational institution. The scholarship is not automatically renewed, however, previous recipients are encouraged to reapply.
