

Business Fund Options

The Denver Foundation

The Denver Foundation offers businesses a variety of philanthropic strategies and investment options to increase your impact in the community and help meet your corporate social responsibility goals (CSR).

WE OFFER A VARIETY OF PRODUCTS TO SUPPORT YOUR GOALS:

Business Donor-Advised Funds

Establish or enhance your company's giving to organizations and causes that match your values.

Employee Giving Circles

Provide your employees with the opportunity to pool their funds and participate in giving that matters to them.

* Business Scholarship Funds

Help students pursue their dreams and receive a higher education.

Corporate Scholarship Funds

Offer your employees or their families opportunities to advance their education.

* In adherence with Rev. Proc. 76-47, 1976-2 C.B. 670 (modified by Rev. Proc. 85-51)

WHY OPEN A BUSINESS FUND?

86%

of U.S. consumers expect companies to act on social, environmental, or other community issues.

71%

of employees want their employer to positively impact their community.

50%

employee turnover reduction with Corporate Social Responsibility programs.
